

**HOSPITAL BIDS AND AWARDS COMMITTEE**  
**SUPPLEMENTAL BID BULLETIN NO. 1**  
**IB 2021-009 & IB2021-010**  
**PRE-BID CONFERENCE (JUNE 18, 2021)**

**I. GENERAL INSTRUCTIONS**

- Bidders are required to submit one (1) soft copy of the original documents clearly scanned in multiple pages in one (1) PDF File per the three required files to the designated Google Form link.
- Documentary requirements on the electronic bidding is the same as in the manual bidding as provided in the 2016 Revised Implementing Rules and Regulations (IRR) of Republic Act 9184 (RA 9184), otherwise known as the “Government Procurement Reform Act” and Resolution No. 09-2020 of the Government Procurement Policy Board entitled “Approving Measures for the Efficient Conduct of Procurement Activities During a State of Calamity, or Implementation of Community Quarantine or Similar Restrictions”
- The BAC is using the 6<sup>th</sup> Edition of the Philippine Bidding Documents and all Amendments Forms therein.
- Due to limited slots in Zoom, only one (1) representative per bidder will be allowed to enter.
- Bidder shall only provide the password of their encrypted file upon being called and acknowledged in the Online Bidding Conference by the BAC before the opening of said Bidder’s bid documents. Bidder’s video should be on during this process.
- For the issuance of the Official Receipt, bidders may get the same at the Cash Collection Section or Procurement Section, during office hours, M-F; 8:00AM-5:00PM, except holidays, and upon showing of proof of payment. For the purpose of the bidding, those who submitted the proof of payment early will be verified by our Cash Collection Section and will be provided a soft copy of the Official Receipt, otherwise, other proof of payment will be acceptable subject to later verification by the Cash Collection Section.
- The lowest calculated bidder is required to produce two (2) hard copies of the scanned document during the post-qualification. The same can be personally sent or via courier. Any discrepancy on the submitted soft copy as bidder during the bidding conference and hard copies as lowest calculated bidder is a ground for disqualification.
- The scanned copy should have the required original signature. E-signature is not allowed.
- Bidders must submit updated Tax clearance per E.O. No. 398, s. 2005, as finally reviewed and approved by the Bureau of Internal Revenue (BIR).
- It is understood that the Contractor is legally responsible to deliver all issued purchase order/s and failure to deliver the first Purchase Order as scheduled shall mean automatic cancellation of the PO and Notice of Award (NOA). Upon cancellation, the BAC shall proceed to qualify the second lowest bidder if applicable; or proceed to Negotiated Procurement. The Winning Contractor who failed to deliver shall shoulder the price difference (from the second lowest bidder) of the item in addition to the acquired liquidated damages.
- Bidders must specify in the Technical Specifications Form under Bidder’s Offer, Technical Specifications Column the exact specifications they are offering and must indicate the reference page number in the user manual submitted against each of the individual parameters. Whereas, bidders must state either “Comply” or “Not Comply” under the Bidder’s Offer, Statement of

Compliance Column. The bids with incomplete and incorrect filled out Technical Specifications Form will be disqualified.

- For items with no bid, bidders must indicate in the Technical Specifications Form under Bidder’s Offer, Technical Specifications Colum ‘no bid’ and must state “Not Comply” under the Bidder’s Offer, Statement of Compliance Column.
- Bidder must have completed, within the period specified in the Invitation to Bid, an SLCC that is similar to the contract to be bid, and whose value, adjusted to current prices using the Philippine Statistics Authority (PSA) consumer price indices, must be at least fifty percent (50%) of the ABC. However, in the case of Expendable Supplies, said SLCC must be at least twenty five percent (25%) of the ABC. Service will fall on the Expendable Supplies.
- If there is no single completed contract for the required amount, the bidder may submit at least two (2) completed similar contracts and the aggregate contract amounts should be equivalent to at least the percentage of the ABC as required above and the largest of these similar contracts must be equivalent to at least half of the percentage of the ABC as required.
- A contract shall only be considered “similar” to the contract to be bid if it is of similar nature.
- Contracts similar to the Project should be completed within two (2) years to the deadline for the submission and receipt of bids.
- For completed contracts, the bidder should include the end-user's acceptance or official receipt(s) in its statement of on-going and completed contracts. Meanwhile, for the on-going and completed contracts, additional documentary proof to support the statement thereof, such as contracts and notices to proceed, need not be attached. However, the BAC may request for additional proof (e.g. copies of contracts and notices to proceed) during post-qualification in order to verify, validate and ascertain all statements made and documents submitted by the bidder with the Lowest Calculated/Highest Rated Bid, using non-discretionary pass/fail criterion provided in the Bidding Documents.

QUERY	RESPONSE
Clarification as to the requirement in the Bidding Documents: “The brand offered should be commercially available on the market for at least five (5) years (if applicable) Certification to be submitted.”	Retained requirement but reduced to “ <b>at least 2 years.</b> ” Rationale of the requirement is to ensure stability of the particular medicine in the market as there are instances where bidders offer a particular medicine but after award, they will request for changing of brand because the particular medicine offered is no longer available in the market
