

Greetings from Batangas Medical Center (BatMC)!

BatMC is a 500 – Bed Level III Department of Health (DOH) retained and PhilHealth Accredited hospital located in Batangas City. With its vision to be the leading multi – specialty hospital in Region IV – CALABARZON and its neighboring areas, BatMC provides quality, equitable and advanced health care. We are also a teaching training institution providing accredited specialty training for doctors, nurses and other allied/paramedical personnel.

BatMC is also an ISO 9001:2015 Certified hospital as we continue to improve our services by upgrading our facilities and equipment and enhance the capabilities of our health workers.

BatMC supports and implements the many programs of DOH to achieve better health outcomes and improve the health of the Filipinos. Let us all aim for Universal Health Care.

Mabuhay po tayong lahat!
