Advisory on the Approved Budget for the Contract (ABC)

The Hospital Bids and Awards Committee received a formal query on March 20, 2017 as regards the set ABC for the contract. It manifested, among others, that the same is insufficient. Upon review of the Committee, the manifestation was found lacking of ground and the **ABC is retained at Four Million Five Hundred Thousand Pesos (P 4,500,000.00).**

In the interest of fair play, however, and to ensure that due process is observed and that the thrust of the government to increase the number of bidders in government procurement is upheld, the Committee decided to postpone the opening of bids for the subject item in order to observe the period to answer the formal inquiry as prescribed by R.A No. 9184 and its IRR.

Hence, as resolved by the Committee, with the verbal assent of the bidders present on the originally set schedule for the opening of bid (i.e. March 20, 2017), bid opening is hereby re-set on March 29, 2017, ~~09:00 AM~~ ^{02:00 PM} at the HBAC Conference Room.
