

**BIDS AND AWARDS COMMITTEE  
 SUPPLEMENTAL BID BULLETIN  
 PRE-BID CONFERENCE (MARCH 30, 2019)**

**I. GENERAL INSTRUCTIONS:**

1. Opening of Bids will be on April 10, 2019, 2:00PM. Acceptance of bids will be strictly until 2:00PM only.
2. Valid tax clearance must be submitted during the opening of bids.
3. The technical specification form was revised with the amendments reflected below. The bidders are required to specify the exact specifications they are offering, and must indicate the reference page number in the user manual submitted. The bids for incompletely filled out tech specs form will be rejected.

No.	Purchaser's Specification	Remarks (Comply/ Not Comply)	Bidder's Specification	Reference
1	350kg to 500kg	Comply	400kg	Detecto 101 Brochure page 100

4. The color coding of envelopes shall be:
  - Drugs and Medicines - Yellow
  - Other Items to be Bid - Any color

**II. TERMS AND CONDITIONS FOR THE PROCUREMENT OF DRUGS AND MEDICINES**

1. Indicate the brand and packing of items offered.
2. Submit Memorandum of Agreement (MOA) between the manufacturer and distributor.
3. The brand offered should be commercially available on the market for at least five (5) years. Certification to be submitted.
4. Submit valid Certificate of Product Registration (CPR) issued by the Food and Drug Administration (FDA). Submission should be per product with tabs and per item number. A copy of Certificate of Product Registration will be given to the BatMC's Materials Management Section. If the CPR presented during the delivery is different from what is documented at the MatMan Section, the delivery will not be accepted.
5. Swapping/replacement of equivalent drugs/supplies will no longer be tolerated and will be considered as a violation. Swapping/replacement of items shall be grounds for blacklisting. REASON: The Technical Working Group has evaluated the bid product. If the items will be swapped with another equivalent brand, thus no proper conduct of evaluation was made for the swapped product, putting BatMC at risk.
6. Submit Certificate of Current Good Manufacturing Practice (CGMP).
7. Submit a certificate of clinical acceptance from three (3) major hospitals in the Philippines hospitals. The end-user's Department Chairperson should certify the clinical acceptance (e.g. Dept. Chair of Internal Med if they are the end-users of the medicine).
8. Submit valid License to Operate LTO).
9. The products to be offered must not been subjected for product recall/ withdrawal for the last three (3) years. Certification must be submitted.
10. A certificate of bioavailability is required for anticonvulsant drugs, insulin, psychiatric drugs, critical drugs, restricted drugs and maintenance drugs. The bioavailability study must be conducted in the Philippine setting.

11. Submit Certificate of Analysis (CAO) for the products offered (batch to be delivered if awarded) preferably issued by FDA, or a duly FDA accredited laboratory (local) and should contain information indicated in monograph of the drug. Additional documents that will prove that the product is good and efficient will also be accepted.
12. For fast moving drugs and medicines, delivery period shall be seven (7) working days upon Purchase Order.
13. Shelf life of the products to be delivered should be not less than sixteen (16) months from expiration date.
14. Stocks delivered are subject to random sampling for testing as to quality and conformity to label. Testing fee at supplier's expense.
15. Delivery compliance is set at eighty percent (80%).
16. All winning bidders shall submit a certificate of commitment to deliver the products awarded to them.
17. It is understood that the Contractor is legally responsible to deliver all issued purchase order/s and failure to deliver the first Purchase Order as scheduled shall mean automatic cancellation of the PO and Notice of Award (NOA). Upon cancellation, the BAC shall proceed to qualify the second lowest bidder if applicable; or proceed to Negotiated Procurement. The Winning Contractor who failed to deliver shall shoulder the price difference (from the second lowest bidder) of the item in addition to the acquired liquidated damages.
